PROFILE

As a passionate undergraduate student, I have developed a deep interest in technology and software development. Throughout my academic journey, I have built a strong foundation in Java and enhanced my problem-solving skills through continuous learning and practical application.

EDUCATION

KPR Institute of Engineering And Technology, 2022 – 2026 | Coimbatore
B.Tech Information Technology
7.67 CGPA

SBM jay tech International School Theni, 2021 – 2022 | Theni
12th Biology - Mathematics: 65%

SBM jay tech International School Theni, 10th: 66% 2019 – 2020 | Theni

INTERNSHIP

Google Cloud Platform Intern 07/2024 – 08/2024 | DC Innovision

- Developed a Proof of Concept (POC) to evaluate API integration and its impact on system performance.
- Tested API functionality and analyzed feasibility for real-time implementation.
- Contributed to improving project efficiency through effective API usage.

Web development Intern 01/2024 – 02/2024 | Yellow Summer

- Learned and applied web technologies during internship.
- Worked with front-end and back-end development concepts.
- Collaborated using Git branches and pull requests

PROJECTS:

ML Project : Pesticide Recommendation 🔗

Developed an AI-powered image classification system using **Convolutional Neural Networks (CNN)** to identify crop diseases from leaf images and recommend appropriate pesticides. The project focuses on crops. Designed a **user-friendly web interface** for farmers to upload crop images and receive instant, localized treatment suggestions.

React Project :Ecommerce Website:

The website provides a seamless shopping experience, allowing customers to browse, add items to their cart, and complete purchases efficiently. Let me know if you need help refining or expanding its features.

SKILLS:

Programming Language — Java | Python, **Front End** — HTML | CSS | JavaScript, **Libraries** — ReactJS, **Database** — SQL, **Tools** — Canva | Colab | Figma | Vs code

CERTIFICATION:

- AWS ACADEMY CLOUD FOUNDATION : AWS ACADEMY
- Data Analytics with Python : Nptel
- Problem Solving Basic : Hackerrank
